- 0.3m webcam
- SD Card Reader
- 2 x USB2.0 Ports
- 10/100 Wired LAN
- 3 Cell Battery with up to 3 hours battery life

With a sleek, sharp, professional design, the 8.9" Zoostorm Freedom Netbook is ultra-portable, extremely desirable and delivers an impressively fast netbook experience. It features optimised Wireless 'n' connectivity and a super sharp 8.9" widescreen LCD panel that makes it the perfect surfing companion.

Our netbook comes preinstalled with Microsoft Windows XP Home as standard to maximise compatibility with existing hardware and software.

Surprising performance

Designed as one of the fastest netbooks on the market - the Intel Atom chipset and Windows operating system not only deliver a stunning on-line experience, it's even powerful enough to run basic Office and general computing programmes

The most portable unit on the market

The Freedom netbook is one of the first to include Wireless N capability which means you can surf the web with up to three times the wireless range of 'g' solutions when used in conjunction with a Wireless N router, access point or network.
